2. Unless otherwise required by law, the prices which have been quoted in the proposal have not been knowingly disclosed by the proposing party and will not be knowingly disclosed to any competitor; and
3. No attempt has been made or will be made by the proposing party to induce any other person or firm to submit or not submit a proposal for the purpose of restricting competition.

E. Each person signing the proposal certifies that:

1. (S)he is the person within the organization responsible for the decision as to prices being offered in the proposal, and that (s)he has not participated, and will not participate, in any action contrary to I.D.1,2 and 3, above; or

These same standards will apply to subcontractors of the selected firm. The County will be relieved from all risks of loss or to equipment or personnel during the installation of copy machines, except when such loss or damage is due to the fault or negligence of the County.

II. SPECIFICATIONS

Proposals must provide sufficient information to allow a determination that project requirements can be met.
